Higher active plans pay more commission while every confirmed sale helps someone access real cover.

WHAT YOU EARN

12.5% on every plan — here's the ladder.

Your commission is 12.5% of the plan price, paid on every sale made through your code. Higher plans pay more — so a handful of premium clients can out-earn hundreds of small ones.

PLAN	PRICE / YR	YOUR COMMISSION
Rose	₦36,000	₦4,500 (family: ₦36,000 principal + ₦32,400 / dependant)
Lotus	₦77,100	₦9,638
Tulip	₦105,600	₦13,200
Hazel	₦212,000	₦26,500
Ivy	₦369,000	₦46,125
Marigold	₦597,000	₦74,625

₦74,625

is the 12.5% commission on **one Marigold sale**. Commission is earned only when a genuine policy payment is confirmed through your tracked code.
